

# ANIMAL ENRICHMENT

The Enrichment Program aims to enhance the lives of the cats and dogs in our care as they wait for their forever home. Daily enrichment aids animals in avoiding depression, minimizing boredom and anxiety, while providing mental and physical stimulation.

## Pipe Cleaners

Create an entertaining toy for our felines! Wrap single pipe cleaners around pencils to create corkscrew-shaped toys for hours of fun.

Fill an empty toilet paper roll with 5-10 treats and fold in both ends. Cats will find this noisy and rewarding toy utterly amusing!

## Catnip Socks

Using a small sock, spoon a small amount of catnip into the bottom then tie the end shut tightly. Cats are sure to love it!
