The following is a list of books & mentors that have positively influenced my life. These books & mentors will inspire, motivate and support you on your personal development journey.

...

As well as writing beautiful, life changing books the mentors outlined below share their wisdom through their podcasts, videos and posts on social media. I follow many more inspirational people on social media but these mentors have influenced me the most and I recommend you connect with them if you want more positivity and success in your life.
