## Elemental ideas . . .

### **For earth, you could:**

Be in nature

Move your body

Choose your next practical action

Listen to your body's messages

Focus on your physical health, finances or career

Work with herbs or medicinal foods

### **For air, you could:**

Journal

Meditate/contemplate

Talk it out with a friend or therapist

Do research

Use your intellectual understanding

Look at the big picture

Focus on how and what you're communicating

**For fire, you could:**

Focus on your spiritual practice

Cast a spell or do another magical working

Create a ritual

Ask your spirit guides for help

Brainstorm on ideas you feel passionate about

Be a little spontaneous

**For water, you could:**

Journal and interpret your dreams

Explore your waking fantasies for themes and meaning

Meditate, especially astral travel/journey meditations

Do ancestor work

Use a divination tool, like tarot, runes or a crystal ball

Work with flower essences

*If you work with different correspondences, use those!*
